In Memoriam

In memory of my mother, Edna W. Baldwin who departed this life 44 years ago, February 2, 1933.

Edna I can't see you today,
I can't hear your voice,
But I cherish the memories
God let you give me
We shall gather at the river
In the bye and bye.

In memory of my father, Joseph L. Childress who passed away one year ago today, February 1, 1976.
It broke my heart when you went away,
Tho' I know on earth we're not meant to stay,
God gave you peace and He gave you rest,
And I believe He knows what's best,
Someday I know we'll meet again
Where there's no sorrow, sickness, or pain,
Until then, I must accept God's will,
And pray you knew my love was real.

Sadly missed by Daughter, Barbara and Granddaughters, Mitzi and Michele.

That in the area of medical malpractice suits, in one state, ten times as many million-dollar awards have been made since 1970 than in all the years before. The growing volume of such suits is adding more than $3 billion to the nation's annual cost of health care, according to HEW.
What's the point? The point is, this is just one of the many circumstances helping to push the cost of insurance beyond the reach of many.
You can help by talking to your neighbors and friends, writing your representatives in government and contacting your insurance commissioner. Or, by talking to us.
Then maybe you won't just blame your insurance company and your agent.

Presbyterian Churches Take Conservation Seriously

At an emergency meeting Sunday, the officers of Appomattox Court House and Walkers Presbyterian churches took the following action:

"The churches will suspend all use of the church buildings except for three (3) hours on Sunday. The emergency schedule for use of the building will be Sunday at 10 a.m., morning worship at 11 a.m. and youth meeting at 6:30 p.m. which will follow its regular schedule. Where possible all heat will be cut off and held not higher than 50 degrees where necessary to keep pipes from freezing. At no time shall heat exceed the Governor's guide line of 65 degrees. It is suggested that any meeting that can be held in homes of members be so conservation efforts to save our resources. Club President, Horace Coleman, recalls that he was living in Wisconsin during the "dirty thirties". Dust storms were so bad that dust blew into the houses with windows and doors closed. He also remembers that it rained muddy water.

This conservtion slide program is available for loan from the Robert E. Lee Soil and Water Conservation District Office.
